

# Without You

## Lana Del Rey

Everything I want I have  
Money, notoriety and riviera  
I even think I found God  
In the flashbulbs of the  
Pretty cameras,  
Pretty cameras,  
Pretty camerasAm I glamorous?  
Tell me am I glamorous?  
Hello, hello ca-can you hear me?  
I can be your china doll  
If you want to see me fall  
You're so good  
Your love is deadly  
Tell me life is beautiful  
They all think I have it all  
I'm nothing, without you  
All my dreams  
And all the lights mean  
Nothing without youSummertime is nice and hot  
And my life is sweet like vanilla is  
Gold and silver line my heart  
But brand into my brain  
Are these stolen images  
Stolen images baby stolen images  
Can you picture it babe the life we could've livedHello, hello? Ca-can you hear me?  
I can be your china doll if you want to see me fallBoy, you're so dope,  
Your love is deadly.  
Tell me life is beautiful,  
They all think I have it all.  
I'm nothing without you.  
All my dreams and all the lights mean  
Nothing without you.We were two kids, just tryin' to get out,  
Live on the dark side of the American dream.  
We would dance all night, play our music loud,  
When we grew up, nothing was what it seemed.Hello? Hello?  
C-can you hear me?  
I can be your China doll  
If you like to see me fall.  
Boy, you're so dope,

Your love is deadly.  
Tell me life is beautiful,  
They think that I have it all.  
I'm nothing without you.  
All my dreams and all the lights mean  
Nothing without you.Hello? Hello?  
C-can you hear me?  
I can be your china doll  
If you like to see me fall.  
Boy, you're so dope,  
Your love is deadly.  
Tell me life is beautiful,  
They think that I have it all.  
I'm nothing without you.  
All my dreams and all the lights mean  
Nothing without you.All my dreams and all the lights mean  
Nothing if I can't have you.
