

Cold Ways

Katatonía

I can't do what you do
I'm just able, tear it down, yeah
Stay in a cold, minute sleep
Feel the world, right through the etherTwisting names inside of me
Electric atmosphere to be
Must carry on one last time
Cannot end what has begunIn your eyes, in your eyes
You're alive
But in my eyes, in my eyes
You're a lieYou can't do what I do
I'm just able to ruin you, yeah
Stay you cold, ways of winter
See myself right through the etherTwisting names inside of me
Electric atmosphere to be
Must carry on one last time
Cannot end what has begunIn your eyes, in your eyes
You're alive
But in my eyes, in my eyes
You're a lieIn my eyes, in my eyes
You're a lie
In my eyes, in my eyes
You're a lie
In my eyes, in my eyes
You're a lie
