# Let's Get Back To Bed Boy

## Sarah Connor

Wat up? It's your boy TQ still keepin'
It gangsta around the world
With my girl Sarah, brand new diva
Put your hands together
We're comin' on a whole new level
Let's get back to bed, boy!
Let's get back to bed, boy!
Now the time has come that I'm telling
It's definitely you that I'm wanting
Boom, boom, boom I hear you knocking
Every time you leave I start crying
Kiss me on the left, kiss me on the right
With you're uh uh, boy, you make me happy all night
Boom, boom, boom my heart's going
All I wanna do is stay in bed with you
Hey yeah, get down 'cause all you're gonna give
You'll get back from me
Hey yeah, get down, we had planned baby
Let's get back into bed baby
Monday until Sunday we take for the foreplay
Let's get back to bed, boy! Let's get back to bed, boy!
April 'til November I will kiss you tender
Let's get back to bed, boy! Let's get back to bed, boy!
Morning until evening you should not be leaving
Let's get back to bed, right now
Now you understand how I'm feeling
It's definitely love that I'm needing
Boom, boom, boom my heart's beating
We better stay in bed I know what you can do
You say you wanna go to bed baby
Well, I'd happily oblige, we'd go for a ride
But now I'm back inside
Drop top Benz with hot boys on the side
Pull up to the dough we drove for you

And I Miss Sarah, I wanna wear you like a Gucci sweater
To get you all alone in a tong I'd do whatever
Get me a bottle of Dom, I do it better
Wake up in the morning baby stuck together, you and I

Hey yeah, get down 'cause all you're gonna give
You'll get back from me
Hey yeah, get down, no more plan baby
Let's get back to bed baby
Monday until Sunday we take for the foreplay
Let's get back to bed, boy! Let's get back to bed, boy!
April 'til November I will kiss you tender
Let's get back to bed, boy! Let's get back to bed, boy!
Morning until evening you should not be leaving
Let's get back to bed, boy! Let's get back to bed, boy!
I'm not your sister, you're not my brother
There are so many things that we should discover
So let's get it on, get it on with each other
Na na na na na na na naa
Na na na na, na na na na
Nana na na na na na naa
Let's get back to bed
Nana na na na na na naa
Na na na na, na na na na
Nana na na na na na naa
Oh oh oh yeah
Monday until Sunday, we take for the foreplay
Let's get back to bed boy! Let's get back to bed boy!
May until December we will not surrender
Let's get back to bed boy! Let's get back to bed boy!
Morning until evening, you should not be leaving
Let's get back to bed right now
Ha ha, that's right, brand new diva
Sarah and your boy TQ, West coast, for life
