I Don't Know

Plumtree

I saw you walking just the other day
But you didn't notice me
You didn't even look my way
I saw you walking just the other day
But you didn't notice me
You didn't even look my wayAnd i don't know how it feels
To be all alone
But from what i felt that day
I don't want it anymoreAnd i don't know how it feels
To be all alone
But from what i felt that day
I don't want it anymore
And i don't know how it feels
To be all alone
But from what i felt that day
I don't want it anymoreAnd i don't know how it feels
To be all alone
But from what i felt that day
I don't want it anymoreA man was talking just the other day
Wasn't talking to me
But i listened anyway
He said "i'm lonely, i, i feel all alone,
My children grew up,
My wife died a year ago"And i don't know how it feels
To be all alone
But from what i felt that day
I don't want it anymore
And i don't know how it feels
To be all alone
But from what i felt that day
I don't want it anymore
