

Neighbors

The Academy Is...

I took a step back as the room was filling up
And I was packed against some people
Who were tossing up a strong vibe
Now the door's locked and the shower's on
And I realize I don't recognize anyone but I don't mind Well, the neighbors have complained damn near every
night
The neighbors have complained damn near every night You shoulda shown up, shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes
Whoa, whoa Well, now everybody's losing control Intoxicated circulation
Just try to sit back, get my palette wet
Getting mentally prepared for the consequences
[Incomprehensible] you know why Because that knock at the door calls the crowd to quiet
The neighbors have complained damn near every night You shoulda shown up, shoulda shown up by now
You shoulda shown up by now
Give it a rest, give it a rest, give it a rest You shoulda shown up, shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes
Whoa, whoa, whoa, whoa There's no one left lying on the second story floorboards
And I'm sure they heard next door but the bottles are hollow now
And there's room at the bottom and I would take it back
If I could, but I won't Sit back, get my palette wet
Getting mentally prepared for the consequences
[Incomprehensible] you know why Because the neighbors have complained damn near every night
The neighbors have complained damn near every night You shoulda shown up, shoulda shown up by now
You shoulda shown up by now
Give it a rest, give it a rest, give it a rest You shoulda shown up, shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes
Whoa, whoa, whoa, whoa
