

Children In Heat

Alkaline Trio

Children in Heat
They have no conscience
No resistance
You gotta see this big reaction
No resistanceCellophane sex, a new way of life
With your heart in your throat
and the other alive
You've been pissin', pissin blood
pissin blood for seven daysNo resistance
No resistance
No resistanceChildren in heat
You can't control them
Why I'm running away and away
They're always gonna run awayChildren in heat
You can't control them
Why I'm running awayChildren in heat
Are young little kindle wood
I see them burning
They all changed their names to ChicagoNo resistance
No resistance
No resistanceChildren in heat
You can't control them
Why I'm running awayChildren in heat
You can't control them
Why I'm running awayChildren in heat
You can't control them
Why I'm running away and away
They're always gonna run awayChildren in heat
You can't control them
Why I'm running away
