

Baby-Baby-Baby

TLC

And you want my love, well, that's alright
Well, it will be there for you morning, noon and night
But you gotta be good and do it right
Ain't got no time for part-time lovin' in my life Well, you wanna be loved, hey, that's okay
'Cause it falls in line right with my sexuality
But you gotta be down, a nigga gotta be true
'Cause otherwise this "B" ain't got no time for you Oh baby, baby, baby
I got so much love in me
Oh baby, baby, baby, baby, baby
'Cause if you're gonna get me off
You got to love me deep Well, you want my heart and all my time
Well, it won't be there if you can't deal with my mind
'Cause a girl like me won't stand for less
I require plenty conversation with my sex Long as you know that I could have any man I want to
Baby, that's actual and factual
But still I choose you to be with me
And work on me so you better not flake it up Baby, baby, baby
I got so much love in me
Baby, baby, baby
'Cause if you're gonna get me off
You got to love me deep Baby, long as you know that I could have any man I want to
Baby, that's actual and factual
But still I choose you to be with me
And work on me so you better not flake it up Well, you want my heart and all my time
Well, it won't be there if you can't deal with my mind
'Cause a girl like me I won't stand for less
I require plenty conversation with my sex Baby, baby, baby
I got so much love in me
Baby, baby, baby
'Cause if you're gonna get me, get me off
You got to, got to love me deep I can have any man that I want to, time and place that I choose to
But I think you know that I'd rather be here with you, yeah
That's actual and factual, you're the one I seem to run back to
Just to get me off, you got to love me, got to love me, got to love me
