Wires (OST Kingsman: The Secret Service)

The Neighbourhood

We talked about making it
I'm sorry that you never made it
And it pains me just to hear you have to say it
You knew the game and played it
It kills to know that you have been defeated
I see the wires pulling while you're breathing
You knew you had a reason
It killed you like diseases
I can hear it in your voice while your speaking you can't be treated
Mr. Know it all had his reign and his fall
At least that's what his brain is telling allIf he said help me kill the president
I'd say he needs medicine
Sick of screaming let us in
The wires got the best of him
All that he invested in goesStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaHe told me I should take it in
Listen to every word he's speaking
The wires getting older I can hear the way their creaking
As their holding him
Well I could see it in his jaw
That all he ever wanted was a job
He tells me to be raw
Admits to me that every little flaw
That never let him sit upon the top
Won't tell me to stop
Thinks that I should be a little cautious
I can tell the wires pulledIf he said help me kill the president
I'd say he needs medicine
Sick of screaming let us in
The wires got the best of him
All that he invested in goesStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaI'm having trouble in believing
And I just started seeing

Light at the beginning of the tunnel but he tells me that I'm dreaming
When he talks I hear his ghosts every word they say to me
I just pray the wires aren't comingIf he said help me kill the president
I'd say he needs medicine
Sick of screaming let us in
The wires got the best of him
All that he invested in goesStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoaStraight to hell
Straight to hell
Whoa, whoa, whoa, whoa, whoa
