

# I Was Born To Love You

## Freddie Mercury

I was born to love you  
With every single beat of my heart  
Yes, I was born to take care of you, ha  
Every single day...  
Alright, hey hey I was born to love you  
With every single beat of my heart  
Yes, I was born to take care of you  
Every single day of my life You are the one for me  
I am the man for you  
You we're made for me  
You're my ecstasy  
If I was given every opportunity  
I'd kill for your love So take a chance with me  
Let me romance with you  
I'm caught in a dream  
And my dream's come true  
So hard to believe  
This is happening to me  
An amazing feeling  
Comin' through -I was born to love you  
With every single beat of my heart  
Yes, I was born to take care of you, honey  
Every single day of my life I wanna love you  
I love every little thing about you  
I wanna love you, love you, love you  
Born - to love you  
Born - to love you  
Yes I was born to love you  
Born - to love you  
Born - to love you  
Every single day - day of my life  
Woh An amazing feeling  
Comin' through I was born to love you  
With every single beat of my heart  
Yeah, I was born to take care of you  
Every single day of my life  
Yeah I was born to love you  
Every single day of my life Go, woh, I love you babe, hey  
Born to love you

Yes, I was born to love you hey  
I wanna love you, love you, love you  
I wanna love you  
Yeah yeah  
Ha ha ha ha ha it's magic  
What ha ha ha  
I get so lonely, lonely, lonely, lonely, yeah  
I want to love you  
It's magic  
Love you, love you  
Yeah, give it to me
