

Don't Do Me Any Favors

A-ha

Words and music by Magne Furuholmen

You offer your assistance
But you won't accept my help
You draw your own conclusions
And there's room for little else
Your own participation's
Based on how much you can lose
I cannot help but feel
That this won't be of any use
Don't offer me your credit
'cause I do not want the blame
Don't do me any favors
I don't wanna play that game
I do not want to see myself
As someone that you saved
I'd rather be your adversary
Than to be your slave
'cause every friendly gesture
Turns my stomach inside out
Don't do me any favors
I am better off without
Don't offer me your credit
'cause I do not want the blame
Don't do me any favors

I don't want to know your name
But it's alright
Yes it's alright
Yes its alright
Yes its alright
Yes it's alright
Don't offer me your credit
'cause I do not want the blame
Don't do me any favors
I don't want to know your name
Don't do me any favors
Don't do me any favors
Don't do me any favors
Coz it's alright

Yes, it's alright etc
Ooh-don't give me any credit
'cause I do not want the blame
Don't do me any favours
I don't want to see your face
But it's alright
