Shame, Shame, Shame

Jimmy Reed

Well, I tried to tell you, baby
But it make no sense
Know you got me baby
Up against this fence

And ain't that a shame, shame, shame
Shame, shame the way you do
Well, it's a shame, shame, shame
Shame, shame on you

Well, now you walk out in the evenin'
Don't even say you goin'
Six o'clock in the mornin
You come walkin' home

And ain't it a shame, shame, shame
Shame, shame the way you do
Well, it's a shame, shame, shame
Oh, it's a shame on you

Well, I be sittin' there waitin'
For you to come home
When I wake up, baby
I'm sittin' there all alone

And ain't that a shame, shame, shame
Shame, shame, the way you do
Oh, it's a shame, shame, shame
Shame, shame on you
