

Kiss (When the Sun Don't Shine) [Hitradio]

Vengaboys

Every Friday My head's spinning round and round
Been working all week now baby
Yes, it's my day I take a trip downtown
To my favorite club now, baby
That's when I see you With loving arms to fall into
But I'm not lookin' for full-time love There's still so much I want to do
I only kiss, kiss, kiss when the sun don't shine Oh whoa, oh whoa
You want to kiss, kiss, kiss then tonight is fine
Oh whoa, oh whoa Can live without it
I don't want a full-time love 'cause it's not on my mind now, baby
You know my freedom Is what I'm thinking of And I ain't got the time now, baby
Straight out of the blue You came and asked me to
Be your date in the daytime babe But I am sorry, no can do
I only kiss, kiss, kiss when the sun don't shine Oh whoa, oh whoa
You want to kiss, kiss, kiss then tonight is fine
Oh whoa, oh whoa I only kiss, kiss, kiss when the sun don't shine
Oh whoa, oh whoa You want to kiss, kiss, kiss then tonight is fine
Oh whoa, oh whoa Kiss me when the sun don't shine
Kiss me when the sun don't shine, oh whoa (Make some noise for the Vengaboys)
Oh whoa I only kiss, kiss, kiss when the sun don't shine
Oh whoa, oh whoa
You want to kiss, kiss, kiss then tonight is fine
Oh whoa, oh whoa
