Get Back Up

Jacksepticeye & The Gregory Brothers

Top of morning
Top of morning
It's morning time
Top of morning
Top of morning

They keep knocking me down
And keep fighting me
But I'm gonna get back up
I'ma rise like the phoenix
Every single time
Even if I died and lost it all
I'm gonna get back up
Keep living my best life

Oh, that's my secret (get back up)
Oh, you don't have to keep it, baby (get back up)
Oh, can you believe it? (Get back up)
Oh, it's easy once you see it, baby

We're going into the nether together
I'm not losing anything ever
Oh, every step is one step closer to death
I thought I was prepared but I'm still unprepared
And scared
'Cause that's bad news bears right there
You know what, it's fine
I'm not gonna die

Don't chase Jack if you don't wanna get clapped back
I know that you don't wanna get clapped back
You will die by my blade
You will find life is pain
I never back down from a fight
I'm a big boy now
I don't fear you anymore, nighttime
I don't fear the crafting of mines
Only idiots die
Guys, I died

They keep knocking me down
And keep fighting me
But I'm gonna get back up
I'ma rise like the phoenix
Every single time
Even if I died and lost it all
I'm gonna get back up
Keep living my best life

Oh, that's my secret (get back up)
Oh, you don't have to keep it, baby (get back up)
Oh, can you believe it (get back up)
Oh, it's easy once you see it, baby

I see you, creeper
I see you, creeper (ah!)
What do you want from me?
You stay outta here
Think you can creep on me?
Think again, squarehead
Me have big smart brain
Oh yeah, oh no I'm dead
No!

They keep knocking me down
And keep fighting me
But I'm gonna get back up
I'ma rise like the phoenix
Every single time
Even if I died and lost it all
I'm gonna get back up
Keep living my best life

Oh, that's my secret (get back up)
Oh, you don't have to keep it, baby (get back up)
Oh, can you believe it (get back up)
Oh, it's easy once you see it, baby
