

U.S.A. for U.S.A. (demo)

Carnivore

Listen to this all you douche bags
It's time that we laid down the law
We're tired of taking your shit
And we ain't gonna take it no more
Be prepared to fight and die
So that we may be free
And if you don't like it here
Then packs your shit and leave
Our forefathers died in war
So that you could live better
We at least owe it to them
To keep the stars and stripes forever
Planting bombs on planes
Blowing up our ships
Hill our kids and women
Find this dickless slob
Hang them by the scrotum
Lets and the terrorism
You think yourself a God
Would follow to the death
A spineless yellow faggot
A bunch of stinking slob
Hiding behind masks
Show yourself 'ya maggot
United we stand
Divided we fall
And that's the way it's gonna be
Don't ever for liberty
All the bullshit countries
Who think they'll beat the giant
World peace on upheaval
We'll nuke'em to the stone age
Send the message clear
'Ya don't fuck with the eagle
