Breaking the Chain

Lee Roy Parnell

Written By Lee Roy Parnell And Tony AarataAngry Words Just Like A Whip Across My Back
I Remember Just How It Felt
Made A Promise Right Then
And There To Never
Do That To No One Else
Im Breaking The Chain
No More Taking All The Hurt And
All The Wrong Turning Right Around And Passing It On
Spreading The Shame
Im Breaking The Chain
Tried Passing The Blame For The Shape This Old Worlds
In bout As Long As I Can Maybe Its Time I Quit Pointin
My Finger And Try Lending A Hand
Im Breaking The Chain Maybe Thats Where The End Of
The Sorrow Starts Little By Little Doing Our Part
Making A Change Im Breaking The Chain
Im Breaking The Chain Maybe Thats Where The End Of
The Sorrow Starts Little By Little Doing Our Part
Making A Change Im Breaking The Chain No More
Taking All The Hurt And All The Wrong Turning Right
Around And Passing It On Spreading The Shame
Im Breaking The Chain
