I'm Not Gonna Do Anything Without You (Jamie O'Neal
(Randy VanWarmer/Rich Alves)I'm gonna make you a promise

Starting tonight

If I never do anything else

For the rest of my lifeI'm gonna hold somebody

I'm gonna look in someone's eyes

'Til I'm so overcome that I cry

I'm gonna love somebody

More then anybody

Baby there's so much I wanna do

But I'm not gonna do anything without you

There's no way I'll ever give up

There's no way I'll lose

If I have to sacrifice everything

Then that's what I'll doI'm gonna hold somebody

I'm gonna look in someone's eyes

'Til I'm so overcome that I cry

I'm gonna love somebody

More then anybody

Baby there's so much I wanna do

But I'm not gonna do anything without youThis dream I live and breathe

All I think about

This is the fire that burns in me

That will never go out

I'm gonna hold somebody

I'm gonna look in someone's eyes

'Til I'm so overcome that I cry

I'm gonna love somebody

More then anybody

Baby there's so much I wanna do

But I'm not gonna do anything without youBaby there's so much I wanna do

But I'm not gonna do anything without you

I'm not gonna do anything without you

Anything without you
