

Precious (feat. Ranking Joe)

Alborosie

I must have been foolish
But how could I be such a fool to let you get away
But why did I do it?
'Cuz now, I'm lonely, oh baby, what can I say
I want you, I need you, I love you
Come back to me, precious love
In good times, I'll be your sunshine
No more bad times, come back to me my love
My friends tried to tell me
That you were the man of my dreams
You should be in my life but I didn't listen
And you're the only man for me
And now, my heart is broken in pain
It's taking over me
'Cuz I want your love in my life
It's something that I need and now, I'm crying
Ooh, precious love
Come back to me, my love
I want you, I need you, I love you
Come back to me, precious love
In good times, I'll be your sunshine
No more bad times
Baby, I want you, I need you, I love you
Precious love
In good times, I'll be your sunshine
No more bad times
Must've been crazy to let go of my baby
To let go of my baby, yeah, yeah, yeah
Must've been crazy yo let go of my baby
To let go of my baby, yeah, yeah, yeah, yeah
Must've been crazy to let go of my baby
I must've been crazy to let go of my baby
Come back to me my love
I want you, I need you, I love you
In good times, I'll be your sunshine
No more bad times
I'll be your shining star
I'll brighten all your skies
And if you'll love me baby

Come back to me, precious love

Don't let me cry

Come back to me my love
