Kill The King

Jorn

Danger, danger, the Queen's about to kill
There's a stranger, stranger, life about to spill
Oh no, move away from harm
I need a spell and a charmFly like the wind
I'm no pawn, so be gone
Speed on and onKill the King, tear him down
Kill the King, strike him downPower, power it happens every day
Power, devour all along the way
Oh no, move me out of harm
I need a spell and a charmFly like the wind
I'm no pawn, so be gone
Speed on and onKill the KingTreason, treason, the specter looms again
Treason, treason, the realm is safe and then
Oh no, move away from harm
I need a spell and a charmFly like the rainbow
I'm no pawn, so be gone
Speed on and onKill the King, tear him down
Kill the King, got to take his crown, downKill the King, he'll rule no more
Strike him dead, the people roarKill the King, take his head
Down, down, down, downOh, kill, oh, kill
Oh, oh
