

Kill The King

Jorn

Danger, danger, the Queen's about to kill
There's a stranger, stranger, life about to spill
 Oh no, move away from harm
I need a spell and a charmFly like the wind
 I'm no pawn, so be gone
Speed on and onKill the King, tear him down
Kill the King, strike him downPower, power it happens every day
 Power, devour all along the way
 Oh no, move me out of harm
I need a spell and a charmFly like the wind
 I'm no pawn, so be gone
Speed on and onKill the KingTreason, treason, the specter looms again
 Treason, treason, the realm is safe and then
 Oh no, move away from harm
I need a spell and a charmFly like the rainbow
 I'm no pawn, so be gone
Speed on and onKill the King, tear him down
Kill the King, got to take his crown, downKill the King, he'll rule no more
 Strike him dead, the people roarKill the King, take his head
 Down, down, down, downOh, kill, oh, kill
 Oh, oh
