Vision Of Nowness

The Go-Go's

There are some things I will never reveal
About the way I think and what I feel
On the surface, smooth, calm and cool
Eyes deep and blue as a swimming pool
And I convince with certainty
No interference will get through to meLike a picture that's been painted
And is hanging on the wall
An admired but untouchable
Reflection
A vision of nowness
A vision of nownessTo know the world, complex and wide
To be temperamentally tranquilized
I'll put you on, but envy none
Break you with care to stay free of want
I'm your curiosity
Notorious, you'll never get what you seeLike a picture that's been painted
And is hanging on the wall
An admired but untouchable
Reflection
A vision of nowness
A vision of nowness
