

# We All Try (Produced By Happy Perez)

Frank Ocean

I believe Jehovah Jireh  
I believe there's heaven, I believe in war  
I believe a woman's temple  
Gives her the right to choose but baby don't abort  
I believe that marriage isn't  
Between a man and woman but between love and love  
And I believe you when you say that you've lost all faith  
But you must believe in something, something, something  
You gotta believe in something, something, something I still believe in man  
A wise one asked me why  
Cause I just don't believe we're wicked  
I know that we sin but I do believe we try  
We all try, the girls try, the boys try  
Women try, men try, you and I try, try, we all try I don't believe in time travel  
I don't believe our nation's flag is on the moon  
I don't believe our lives are simple  
And I don't believe they're short, this is interlude  
I don't believe my hands are clean  
Can't believe that you would let me touch your heart  
She didn't believe me when I said that I lost my faith  
You must believe in something, something, something  
You gotta believe in something, something, something I still believe in man  
A wise one asked me why  
Cause I just don't believe we're wicked  
I know that we sin but I do believe we try  
We all try, the girls try, the boys try  
Women try, men try, you and I try, try, we all try
