Last Day

Cavo

Whoa whoa whoa whoa
Whoa whoa whoa whoa
A million miles away from where you are
How dare let you get away under these stars
Whoa whoa whoa whoa
Whoa whoa whoa whoa
A thousand bridges burn I won?t go back
A hundred lesson learn and I won?t ?
What would you say what would you do what would you hold on to
Where would you go when nothing to lose
Would you change who would you love would you
Do it all the same if I tell you is your last day
Whoa whoa whoa whoa
Whoa whoa whoa whoa
These memories are scars from my past
No roof or broking arms cause they don?t last

What would you say what would you do what would you hold on to
Where would you go when nothing to lose
Would you change who would you love would you
Do it all the same if I tell you is your last day
Whoa whoa whoa whoa
Whoa whoa whoa whoa
Last day your last day
Last day your last day
Last day your last day
What would you say what would you do what would you hold on to
Where would you go when nothing to lose
Would you change who would you love would you
Do it all the same if I tell you is your last day
Whoa whoa whoa whoa
Whoa whoa whoa whoa
