Zombie

Jamie T

Love she sees apart from me, possessed behind the eyes
Apart from frightening, the moaning and biting, seems to be a nice guy
And I know what she thinks when she looks at me, when she looks with such despair
You're not the only one around here who needs a bit of fresh air'Cause I'm a sad sack, post teen, could have been a love machine,
No dream, concrete, walking like a zombie
Like a zombieAnd I'm a coal train, fast lane, caught up in a dirty rain,
No pain, no gain, working like a zombie
Like a zombieWell this old place here, man it's falling apart
She's on the road as she goes, but she won't get far
I'm on a show to parole to the toad in a hole
I've gotta grow some roots, gotta prop up the barI've got bloodshot eyes and there's blood in my teeth
I've got a ripped up jacket and a friend who's a thief
Well I'm a coughing out my mouth, trying to pull it out
But the fire inside keeps burning, burning out'Cause I'm a sad sack, post teen, could have been a love machine,
No dream, concrete, walking like a zombie
Like a zombieAnd I'm a coal train, fast lane, caught up in a dirty rain,
No pain, no gain, working like a zombie
Like a zombieOh you're running the situation
Don't be afraid to be a friend
'Cause I won't hurt you girl, or leave you unsaid
You make me live enough to love again'Cause I'm a sad sack, post teen, could have been a love machine,
No dream, concrete, walking like a zombie
Like a zombieAnd I'm a coal train, fast lane, caught up in a dirty rain,
No pain, no gain, working like a zombie
Like a zombie'Cause I'm a sad sack, post teen, could have been a love machine,
No dream, concrete, walking like a zombie
Like a zombieAnd I'm a coal train, fast lane, caught up in a dirty rain,
No pain, no gain, working like a zombie
Like a zombie
