

# I'm a Fool to Want You

## Max Roach Quartet with Hank Mobley

I'm a fool to want you  
I'm a fool to want you  
To want a love, a love that can't be true  
A love that's there for others too  
I'm a fool to hold you  
Such a fool to hold you  
To seek a kiss not mine alone  
To share a kiss that the devil has known  
Time and time again I said I'd leave you  
Time and time and time again I went away  
But then would come the time when I would need you  
And once again, yes once again these words I had to say  
Take me back, take me back, I love you  
Take me back, I want you  
I know it's wrong, yes it must be wrong  
But right or wrong I can't get along without you  
Can't get along without you, without you
