Ol' Forgiver

Poco

Ol' forgiver
You're a true life giver
When I'm cold
Warm me when I shiverOl' forgiver
When I'm runnin' you down
Now ain't you the clown
I'm chasing, madly embracingYou got me laughing inside
At the happy face I'm facing
Ol' forgiver
You wear it all on the outsideYou're quiet and unspoken
And I take it as a token
That I'll be broken
Long before you will be
Yeah, you'll seeYou're quiet and unspoken
And I take it as a token
That I'll be broken
Long before you will be
Yeah, you'll seeOl' forgiver
You bring a day that is lasting
Still it's slowly slowly drifting by
For the lucky son of an unknown motherOl' forgiver
Come on and fill my eyes
Ol' forgiver
I see you fillin' up, fillin' up my eyes
Ol' forgiver
Come on, come on and fill up, fill up my eyes
