Marchin On

Onerepublic

For those days we felt like a mistake
Those times when love's what you hate
Somehow
We keep marchin on
For those nights when I couldn't be there
I've made it harder to know that you know
That somehow
We'll keep movin on
There's so many wars we fought
There's so many things we're not
But with what we have, I promise you that
We're marchin on
We're marchin on
We're marchin on
For all of the plans we've made
There isn't a flag I'd wave
Don't care if we bend, I'd sink us to swim
We're marchin on
We're marchin on
We're marchin on
For those doubts that swirl all around us
For those lives that tear at the seams
We know
We're not what we've seen
For this dance we'll move with each other
There ain't no other step than one foot
Right in front of the other
There's so many wars we fought
There's so many things we're not
But with what we have, I promise you that
We're marchin on
We're marchin on
We're marchin on
For all of the plans we've made

There isn't a flag I'd wave
Don't care if we bend, I'd sink us to swim
We're marching on
We're marching on

We're marching on
Right, right, right, right left
Right, right, right, right left
Right, right, right
We're marching on
We'll have the days we break
And we'll have the scars to prove it
We'll have the bombs that we save
But we'll have the heart not to lose it
For all of the times we've stopped
For all of the things I'm not
We put one foot in front of the other
We move like we ain't got no other
We go where we go
We're marchin on
Marchin on
There's so many wars we fought
There's so many things we're not
But with what we have, I promise you that
We're marchin on
We're marchin on
We're marchin on
Right, right, right, right left
Right, right, right, right left
Right, right, right
We're marchin on
Right, right, right, right left
Right, right, right, right left
Right, right, right
We're marchin on
