Guilty (Plastician Remix)

Kosheen

Once upon a time
A spider ate a fly
She almost lost her web
Whilst biting off his headI? m not guilty anymore
(You are, you are)
Though it brought me to the ground
(You are, you are)
I? m not angry anymore
(You are, you are)
Never wanted to be found
I? ve been feeling mighty weak
Since I don? t get any sleep
I almost lost my balance
Thank God I found my feetI? m not guilty anymore
(You are, you are)
Though it brought me to the ground
(You are, you are)
I? m not angry any more
(You are, you are)
Never wanted to be foundThe days don't end for me[break]
Once upon a time
A spider ate a fly
She almost lost her way
Whilst biting off his head
I? m not guilty anymore
(You are, you are)
Though it brought me to the ground
(You are, you are)
I? m not angry any more
(You are, you are)
Never wanted to be found
