Restoration

The Winans

What would I know about being restored if I never Lost my place?
What would I know about His mercy if I hadn't gotten out of grace?
Restoration has finally come.
Been restored back to my place in God.
Restoration has finally come.
Been restored back to my place in God.

Restore me. Restore to me the joy. (2x)

Verse 2
It sort of reminds me of the prodigal son. After his riotous living, all the evil he had done. Yet when he returned, his father received him home. Gave him a ring of gold, put him on a robe. Killed the fatted calf, gave him something he never , ever had.

Chorus
