Caroline

The Dirty Nil

First I thought I was doomed to darkness, lost
But your fiery night gave starved eyes light
But Caroline I've done wrong
How I feel stained
My skin screams shame
Just as wilts all flowers
Time makes sweet things sour
But I know that lovers are lions, untamed
But I know that lovers and lions live caged
My song is far from cleansing redemption
But your fiery night burned all in sight
But I know that lovers are lions, untamed
But I know that lovers and lions live caged
Caroline I've done wrong
