

# Caroline

## The Dirty Nil

First I thought I was doomed to darkness, lost  
But your fiery night gave starved eyes light  
    But Caroline I've done wrong  
        How I feel stained  
        My skin screams shame  
        Just as wilts all flowers  
        Time makes sweet things sour  
    But I know that lovers are lions, untamed  
    But I know that lovers and lions live caged  
    My song is far from cleansing redemption  
        But your fiery night burned all in sight  
    But I know that lovers are lions, untamed  
    But I know that lovers and lions live caged  
        Caroline I've done wrong
