

The Green Manalishi (With the Two Pronged Crown)

Fleetwood Mac

Written by peter green. Now, when the day goes to sleep and the full moon looks
The night is so black that the darkness cooks
Don't you come creepin' around - makin' me do things I don't want to Can't believe that you need my love so
bad
Come sneakin' around tryin' to drive me mad
Bustin' in on my dreams - making me see things I don't wanna see Break:
