

# Fire It Up

Matt Coleman

Fire it up Fire it up Fire it up [x4]  
Salu-Mutha Fuckin-Tations  
Glad you came i see you got a reputation  
Your in for a night full of blunts and beers.  
Drinks and pits come on in dont fear.  
Now it might get a liltle restless  
But we're all family relax dont stress  
You best get out your seats and move to the front  
When you hear KMK say FIRE IT UP.  
Kottonmouth's here smoke that pit  
Every single night we get high and dont trip  
24-7,365 all around the world we smoke herb world wide  
So who got the chronic up in the building  
With the buds in my system yo i catch the feeling  
Lets fire it up 'cause tonights the night  
D-Loc got a smoke who got a mother fuckin Light  
Kottonmouth Kings  
Fire it up Fire it up Fire it up  
People always wanna know just what they wanna know Fire it up  
How much herb we really smoke and how do we rip this show Fire it up  
How come high times magazine never put us on they front Fire it up  
10 Years deep in this spot for weed now what more could they want Fire it up  
Kottonmouth kings  
Fire it up Fire it up Fire it up  
The kids back with style chronicals  
Comin in backwards to get D-Loc  
With the with the weed smoke Kottonmouth No joke  
Where the weed heads at where the weed at  
We bout to kick back kick rhymes  
12 pack of the kick down and just sit back so relax  
Or get slapped where you at?  
Now solve them im about to ball boy shit  
I aint no decoy im about to destroy  
Mass a microphone and a mutha fuckin tall boy  
Pad to the bone spation im like elboy see  
What you have here is a certified pit  
Walk into the party with a old school limp  
Float through the party like the good year blimp

Shrimp on the Bar-B marinated in hemp  
Kot
