Take a Picture

Tuxedo

Take a picture
We'll make it last forever
It goes on and on
Take a picture
As long as we're together
We'll keep it going strongOn and on
On and on and on
On and on
We'll make it last foreverOoh you're looking hot
Let's take a snapshot
Ooh here comes the flash
Let's make this moment last
Not too fast
Take a picture
We'll make it last forever
It goes on and on
Take a picture
As long as we're together
We'll keep it going strongOn and on
On and on and on
On and on
We'll make it last foreverOoh I like your style
Now 3 2 1 smile
Lovin' your profile
Ooh here comes the flash
Let's make this moment last
Not too fast
Take a picture
We'll make it last forever
It goes on and on
Take a picture
As long as we're together
We'll keep it going strongOn and on
On and on and on
On and on
We'll make it last foreverTake a picture
We'll make it last forever
It goes on and on
Take a picture

As long as we're together
We'll keep it going strongOn and on
On and on and on
On and on
We'll make it last forever
