Angels Falling

Insane Clown Posse

[Beginning]
She got a bright future ahead of her,
she could of gone to enourmous possibilities[Verse]
I climbed up the tree in the back and got on my rooftop with my 22,
It's hot with little pops,
Started bustin off shots aimin all at the sky,
I emptied out the gun bustin all at the sky.Then i went and stole a bow and arrow from my dad
To the arrows tips i tied gasoline soaked rags,
Climbed up with the zippo, Lit em off in the sky,
A trail of black smoke leading off the sky.I bought some chinese stars from the kung fu surplus,
They had em under the glass, i made the purchase,
Climbed up and i whizzed em off in the sky,
even stood up on the chimney, whizzed em off in the skyThen i found a double barrel with shells at Wal-Mart
I threw it next to the faygo in my shopping cart
I got home, climbed up, blew it off the sky
3:20 in the mornin bustin off at the skyI got a blowgun too, a real one at that,
I dip the tips in poison, Lay up on my backAnd now they piercing through the air straight up into the sky,
Its like the only thing you hear is "phew" into the skyI bought a harpoon off the internet and went up
And tried to shoot it, but the fuckin Rip off, it got stuck.I said fuck it, and i threw the spear up into the sky,
as fuckin hard as i could, i threw it into sky.I sprayin mace up there
I throw m-80s up there,
Im shooting everything i got,I sit and wait in my chair
because i hate the sky above whether moon or sun
whether rain or snow, since the pain has begun
Im tryna aim for the heavens up into the sky
Tell me why the love of my life had to die
Hows she gonna leave me and not even say bye
I know that shes an angel and they're lettin her fly
Every plan i thought we made together was a lie
she chould of hung on, ill bet she didnt even try
she left me dry, and that no one can deny
and when she falls from the sky
im asking her why[Chorus]
Angels are falling
Angels are falling, Falling angels...Come crashing down
to the floor
wont stop
till i get the one that
im lookin for...
