

It's Magic

Doris Day & Percy Faith and His Orchestra

You sigh, the song begins,
You speak and I hear violins
 It's magic
 The stars desert the skies
 And rush to nestle in your eyes
It's magicWithout a golden wand
 Or mystic charms,
 Fantastic things begin
When I am in your armsWhen we walk hand in hand
 The world becomes a wonderland
 It's magic
 How else can I explain
Those rainbows when there is no rain
 It's magic
 Why do I tell myself
These things that happen are all really true
 When in my heart I know
 The magic is my love for you
 It's magic
 It's magic
 Why do I tell myself
These things that happen are all really true
 When in my heart I know
 The magic is my love for you
