Rooftops

Marshmello

And we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundabout
And we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundaboutThis love we have, this love we have
This love we have, this love we have
This love we have, this love we have
This love we have, this love we have
It's like a roundabout
And we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundaboutAnd we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundaboutAnd we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundabout
And we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundabout
This love we have, this love we have
This love we have, this love we have
This love we have, this love we have
This love we have, this love we have
It's like a roundaboutAnd we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundaboutAnd we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have
You really killing me, it's like a roundaboutAnd we're screaming from the rooftops
Screaming 'til our heart stops, let it out
And baby, this love we have

You really killing me, it's like a roundabout
