

Stormy Weather

[Sarah Vaughan](#)

Dont know why theres no sun up in the sky

Stormy weather

Since my man and I aint together,

Keeps rainin all the time

Life is bare, gloom and misry everywhere

Stormy weather

Just cant get my poorself together,

Im weary all the time

So weary all the time

When he went away the blues walked in and met me.

If he stays away old rockin chair will get me.

All I do is pray the lord above will let me walk in the sun once more.

Cant go on, evry thing I had is gone

Stormy weather

Since my man and I aint together,

Keeps rainin all the time
