Make Up Your Mind

Earthride

Make up your mind and I'll make up mine
Don't worry about me, I'll be fine
Those words that you said to me, why wasn't I listening?
I wish I hadn't met you at all, I started thinking
I'll sit back and relax and wait for the morning
We'll wake up, we'll make up and do this for the last time
We'll wake up, we'll make up and do this for the last time
If we break up, we'll wind up losing both of our minds
So wake up, let's make up and do this for the last time
Make up your mind and I'll make up mine
Don't worry about me, I'll be fine
The last time you yelled at me, I swore that I heard you say
"I wish I hadn't met you at all," I started thinking
I'll sit back and relax and wait for the morning
We'll wake up, we'll make up and do this for the last time
We'll wake up, we'll make up and do this for the last time
If we break up, we'll wind up losing both of our minds
So wake up, let's make up and do this for the last time

When will we make up? Will we break up?
Let's wake up, let's wake up, let's wake up
Make up your mind and I'll make up mine
Don't worry about me, I'll be fine
Those words that you said to me, why wasn't I listening?
I wish I hadn't met you at all, I started thinking
We'll wake up, we'll make up and do this for the last time
We'll wake up, we'll make up and do this for the last time
If we break up, we'll wind up losing both of our minds
So wake up, let's make up and do this for the last time
And do this for the last time
(Let's wake up, let's make up)
And do this for the last time, yea yea
(If we break up, we'll wind up losing both of our minds)
(Let's wake up, let's make up)
