Something Real (Inside Me - Inside You)

Mr. Mister

Everyone's looking for something real
Everyone's taking all they can stealBrother to sister, look at each other face to face
There's something missing here in this human race, heyInside me
(All we want is something real)
Is a part of you
(We can make this last forever)
And inside you
(Make a world where we can feel)
Is a part of me
(We will always be together)
YeahPerson to person, place to place
We run from each other, lost in the raceBrother to sister, hold on to each other with all we got
Our time is coming, oh if you're ready or not
If you're ready or not, ohInside me
(All we want is something real)
Is a part of you
(We can make this last forever)
And inside you
(Make a world where we can feel)
Is a part of me
(We will always be together)Gimme something real
(All we want is something real)
Gimme something real
(We can make this last forever)
Inside you
(Make a world where we can feel)
Is a part of me
(We will always be together)
Yeah, yeahBrother to sister, hold on to each other with all we got
Our time is coming, oh, if you're ready or not
If you're ready or not, ohInside me
(All we want is something real)
Is a part of you
(We can make this last forever)
And inside you
(Make a world where we can feel)
Is a part of me
(We will always be together)Gimme something real
(All we want is something real)

Something real
(We can make this last forever)
Inside you
(Make a world where we can feel)
Make a world where we can feel
(We will always be together)
We will always be together(All we want is something real)
Something real
(We can make this last forever)
Inside you
(Make a world where we can feel)
Is a part of me
(We will always be together)
