## Lucinda Williams

[?] found on the river Swelters on the night  
I want it so and I figure it out how crew that terrible sound  
And somebody gone away with murder and a car full of fence  
Well that's the way we do things in West Memphis But if they lock the music I whistle to  
But they don't lock the way I dress  
They set me up with a for confection, I never had a chance  
They did the bug on me on my excrill say got no common sense  
But that's the way we do things on West Memphis  
That's the way we do things on West Memphis  
That's the way we do things on West Memphis Is never been any difference  
So don't come round here try to mess some thoughts  
Cuz that's the way we do things on West Memphis  
Those innocents to arriving  
Prisons for a crime didn't [?]  
When nobody listen I rose 'out of fence  
Somebody play with the evidence and he's been lying ever since  
But that's the way we do things on West Memphis And after all these years they still on fuse  
To say what really happen  
They cooking [?] that they're used  
Afraid to make some end  
Hiding in the dark make secret behind every pick of thing  
And that's the way we do things on West Memphis  
That's the way we do things on West Memphis  
Yeah that's the way we do things on West Memphis Is never been any difference  
So don't come round here try to mess some thoughts  
Cuz that's the way we do things on West Memphis  
Yeah that's the way we do things on West Memphis  
Yeah that's the way we do things on West Memphis  
Is never been any difference  
So don't come round here try to mess some thoughts  
Cuz that's the way we do things on West Memphis  
That's just the way we do things on West Memphis  
That's just the way we do things on West Memphis
