

# You Can't Get It Right

Beverly

Hey maybe this time, you'll learn to hold on to yourself.

(Ah ah ah ah ah ah)

Hey maybe this time, you'll learn to hold on to yourself.

(Ah ah ah ah ah ah) You can't get it right.

You can't get it right. Hey maybe this time, you'll know to call it like you see.

(Ah ah ah ah ah ah)

Hey maybe this time, you'll know to get in line with me.

(Ah ah ah ah ah ah) You can't get it right.

You can't get it right. You can't get it right.

You can't get it right. And maybe next time, you'll see the forest from the trees.

(Ah ah ah ah ah ah)

If there's a next time, you'll know the perfect time to leave.

(Ah ah ah ah ah ah) You can't get it right.

You can't get it right. You can't get it right.

You can't get it right.
