I'd Be Lost

Sarah Blasko

Finally I found someone to call my own
When I thought I'd always be alone
Face is so familiar in this crowded room
What I'd do without you never home I'd long for you[Pre-Chorus]
And I just so want to believe and you've
Become a part of me, and I know[Chorus]
I'd be lost without
I'd be lost without you
I'd be lost without
I'd be lost without you[Verse 2]
Finally I'm doing what I need to do
Such a feeling that I find in you
Laughing at the past as though it never was
Letting go of what I thought I'd lost
Made a space for you[Pre-Chorus]
And I just so want to believe and you've
Become a part of me, and I know[Chorus]
I'd be lost without
I'd be lost without you
I'd be lost without
I'd be lost without you
Without you[Pre-Chorus]
You're not just something to believe in, you've
Become a part of me, and I know[Chorus]
I'd be lost without
I'd be lost without you
I'd be lost without
I'd be lost without you
I'd be lost without
I'd be lost without you
I'd be lost without
I'd be lost without you[Outro]
Without you
Without you
(I was running just as fast as I can to get to you)
Without you
(I was running just as fast as I can to get to you)
I'd be lost without you
(I was running just as fast as I can to get to you)

Without you
(I was running just as fast as I can to get to you)
I'd be lost without you
