

# No Substitute Love

Estelle

You know who it is  
Oh boy, oh boy, I'm not your substitute lover, oh no  
Said boy, oh boy, I'm not your substitute lover, oh no  
I know it would have been nice if I could have had your body  
Knowing that everybody ain't been with you  
But you told me lies you made me give my heart away  
But now I know the games you play so I'm through with you  
Oh boy, oh boy, I'm not your substitute lover, oh no  
Said boy, oh boy, I'm not your substitute lover, oh no  
You know there's gonna be a fight if these chicks keep calling you at night  
I seen that text your tryin' to hide see I know the truth  
Must be outta your mind, you thought you'd never see the day  
You thought I'd let a player play but I'ma upgrade you, listen boy  
Oh boy, oh boy, I'm not your substitute lover, oh no  
Said boy, oh boy, I'm not your substitute lover, oh no  
See there's not much you can say  
He said he's done changed and I finished today  
'Cause I can't do it no more, I won't be there when you call  
So you besta move on, move on  
'Cause I couldn't be your, your substitute no more  
Listen I see you called my name like I'm going outta fashion  
And turn around and act like nutting ain't happen  
Like nar nuttins crackin'  
Only when you need a chick  
Only when you think about dis hotness you get itch  
That's when you get the itch, baby, let me be a bitch  
Boy, who you think you is bad gal nar tek dis  
Actin' like a little boy play me like a decoy  
You need to grow a couple boy  
You ain't 'bout nuttin', boy  
Oh boy, oh boy, I'm not your substitute lover, oh no  
Said boy, oh boy, I'm not your substitute lover, oh no  
Oh boy, oh boy, I'm not your substitute lover, oh no  
Said boy, oh boy, I'm not your substitute lover, oh no
