Cut Me Down

Sosos

Is this how it is
We?re fighting like kids again,
Oh darlin?
Is this what we are
We scream until it?s too far again yeah
I can?t believe
You?re loving me
With a dagger in your hand
And I can?t believe
I can?t be free
When this ain?t what I planned
Planned
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
(Bad boy)
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
You feel what you want
Except the pain that?s surrounding me
Oh darling
You take what you want
My soul ain?t nothing to you it?s free yeah
And I won?t survive
I?m not alive
When you?re standing in my way

And I won?t survive
I?m empty inside
I?m crushed till I can?t stay
Stay
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down

Cut me down
(Bad boy)
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
You got me wishing I can never turn round
I look behind me and I?m leaving your town
Let me go go
Let me let me go
Let me go go
Let me let me go
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
