

# Cut Me Down

## Sosos

Is this how it is  
We're fighting like kids again,  
Oh darlin?  
Is this what we are  
We scream until it's too far again yeah  
I can't believe  
You're loving me  
With a dagger in your hand  
And I can't believe  
I can't be free  
When this ain't what I planned  
Planned  
Baby girl I stick you up  
But you just cut me down  
Cut me down  
Cut me down  
Cut me down  
(Bad boy)  
And girl how I tried to stick you up  
But you just cut me down  
Cut me down  
Cut me down  
You feel what you want  
Except the pain that's surrounding me  
Oh darling  
You take what you want  
My soul ain't nothing to you it's free yeah  
And I won't survive  
I'm not alive  
When you're standing in my way  
  
And I won't survive  
I'm empty inside  
I'm crushed till I can't stay  
Stay  
Baby girl I stick you up  
But you just cut me down  
Cut me down  
Cut me down

Cut me down  
(Bad boy)  
And girl how I tried to stick you up  
But you just cut me down  
Cut me down  
Cut me down  
You got me wishing I can never turn round  
I look behind me and I'm leaving your town  
Let me go go  
Let me let me go  
Let me go go  
Let me let me go  
Baby girl I stick you up  
But you just cut me down  
Cut me down  
Cut me down  
Cut me down  
And girl how I tried to stick you up  
But you just cut me down  
Cut me down  
Cut me down
