

I Like It (But I Don't Need It)

Vivian Green

Yes I like it but I don't need it
'Cause I like it, don't mean I need it
Yes I like it but I don't need it
'Cause I like it, don't mean I need it I like the way you move, I like the way you talk
You have such a sweet way, I like to spend my days
With you always the same, such sweet consistency
But it's cool don't mess with it, leave it this the way it is Baby with you it's quite alright
So much better than it's been with the other guys
But I don't need a label just leave it alone
Don't wanna tie you down, you're free to go Baby with you it's quite alright
So much better than it's been with the other guys
But I don't need a label just leave it alone
Don't wanna tie you down. you're free to go Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend) Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend) Ooh yeah, it's mighty good, no need for me to front
But I can separate the two, a boyfriend ain't what I want
Now we can kick it baby just like the way we've been
I just need to be free, don't need you to rescue me Baby with you it's quite alright
So much better than it's been with the other guys
But I don't need a label just leave it alone
Don't wanna tie you down, you're free to go Baby with you it's quite alright
So much better than it's been with the other guys
But I don't need a label just leave it alone
Don't wanna tie you down, you're free to go Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend) Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend) No, no, not me, don't wanna be in love
I just wanna be single and fabulous
Fine independent women it's my time
The last thing on my mind is committing to some guy Too much that I need to do
And I'm sorry to say but the list don't include you
And don't you say I didn't tell you what it was a first

Look at the situation, take it for what it's worth
Baby with you it's quite alright
So much better than it's been with the other guys
But I don't need a label just leave it alone
Don't wanna tie you down, you're free to go
Baby with you it's quite alright
So much better than it's been with the other guys
But I don't need a label just leave it alone
Don't wanna tie you down, you're free to go
Yes I like it
(I like it)
But I don't need it
(Don't need it)
'Cause I like it
(Yes I like it)
Don't mean I need it
(But I don't need it) Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend) Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend) Yes I like it but I don't need it
(I don't wanna be your girlfriend)
'Cause I like it, don't mean I need it
(I don't wanna be your girlfriend)
