

Someone You Loved

Conor Maynard

I'm going under, and this time, I fear there's no one to save me
This all or nothing really got a way of driving me crazy
I need somebody to heal, somebody to know
Somebody to have, somebody to hold
It's easy to say, but it's never the same
I guess I kinda liked the way you numbed all the pain And now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and you pulled the rug
I was getting kinda used to being someone you loved
I'm going under, and I fear this time there's no one to turn to
This all or nothing way of loving got me sleeping without you
Now, I need somebody to know, somebody to hear
Somebody to have, just to know how it feels
It's easy to say, but it's never the same
I guess I kinda like the way you help me escape And now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and you pulled the rug
I was getting kinda used to being someone you loved
And now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and you pulled the rug
I was getting kinda used to being someone you loved
