Healing Touch

Evil Stereo

She's light when I'm feeling low
And the ground when I've lost control
With me in my darkest hour
Says she loves me still

I've been lost at sea
Drowning well she set me free
With me in my darkest hour

And the beat of her heart
Moves an ocean in me
And I can't help but sing

Honey, heal my broken heart
I'm freezing underneath
And I've been here waiting patiently

Honey, ease my restless mind
I cannot get to sleep
With your healing touch, healing love
You bring back the life in me

Fading like a distant star
Holding back the missing parts
And she found the good in me
When I couldn't see

Everywhere I go these days
She's never really far away
With me in my darkest hour

And she's moving my feet

Honey, heal my broken heart
I'm freezing underneath
And I've been here waiting patiently

She gives me love
Oh no she gives me love

I've never known love like this could be

She gives me love
Oh no she gives me love
I've never known love like this could be

Honey, heal my broken heart
I'm freezing underneath
And I've been here waiting patiently

With your healing touch, healing love
You bring back the life

With your healing touch, healing love
You bring back the life in me
