

# Meet Me In Montana (feat. Dan Seals)

## Marie Osmond

Wrote my whole life down in an old book  
Songs about you and me  
Been singing to every soul in Tennessee  
Nobody seems to listen  
No one ever smiles the way that you do  
So, I guess you'll never hear me on the radio  
I'd give up this crazy dream of mine to hold you once more  
Won't you meet me in Montana?  
I wanna see the mountains in your eyes  
Woah, woah, I've had all of this life I can handle  
Meet me underneath that big Montana sky  
I left home for Hollywood  
Lookin' for a part to play  
Well, you always said I had such a pretty face  
But I guess I'm not that pretty  
'Cause no one looks at me the way that you do  
Well, you'll always be a movie star to me  
And darlin', now, I guess it's time that I let go of that dream  
Won't you meet me in Montana?  
I wanna see the mountains in your eyes  
Woah, woah, I've had all of this life I can handle  
Meet me underneath that big Montana sky  
Well, we're stuck here in these hills that they call mountains  
Darlin' back home in your arms is right where I want to be  
Won't you meet me in Montana?  
I wanna see the mountains in your eyes  
Woah, woah, I've had all of this life I can handle  
Meet me underneath that big Montana sky  
In Montana  
I wanna see the mountains in your eyes  
Woah, woah, I've had all of this life I can handle  
Meet me underneath that big Montana sky
