## A Lesson in Violence

## **Exodus**

If you got something to say, then come my way
I'm guarded by Satan, I'm riding on Baphomet
I'll teach you a lesson in violence you won't soon forget

The pleasure of watching you die is what I will getFight for what you believe to be right

Crushing with all your might

I laugh at their pitiful cries

They run from the fire in my eyesNothing can save them nowYou've learned a lesson in violence

Get on your knees and bow

Or learn a lesson in violence

I love to stab my victims until they're deadA knife to the throat or a smashing blow to the head I'm judge and jury, my sentence has just been passed

Step into the circle of hell if you think you can lastFight for what you believe to be right

Crushing with all your might

I laugh at their pitiful cries

They run from the fire in my eyesNothing can save them nowYou've learned a lesson in violence

Get on your knees and bow

Or learn a lesson in violence
